This prescription is printed on CMS compliant tamper-resistant  
paper containing the following security features:

Any attempt to copy or fax this page will reveal  
the word **INVALID** across the front side of this  
prescription.

The front of this security paper is blue while the  
white back side contains a watermark and several  
large red Rx symbols.

Quantities are bracketed by asterisks to prevent  
erasure and modification of prescribed amounts.

Microprinting at the bottom of this page can be seen  
under magnification but cannot be duplicated.
